

Congratulations

You have been enrolled in Artisanal Cheese Club as a gift!

With the Artisanal Cheese Club, our cheese experts share their passion for and knowledge of cheese by composing a thoughtful collection of artisanal cheeses matured to optimal ripeness and peak flavor, delivered to your doorstep each month. Often times, cheeses are selected to explore a country or region, such as France and Italy, or theme, such as “award-winning cheeses from American artisans!” Each collection arrives with a note from our fromagers explaining and describing each cheese, as well as wine pairings and serving suggestions.

The Artisanal Premium Cheese Club membership benefits include:

- Display Tags and Fromager’s notes describing each cheese
- Wine & Beer pairing suggestions from our own cheese experts
 - Our guidelines for presenting and storing cheese
 - Overnight delivery direct to your door

Please note the Artisanal Cheese Club ships the first Tuesday of the first full week of each month.

If you are going to be away for any reason, please contact us at hello@artisanalcheese.com or toll-free at 833-CHEESE1 (833-243-3731) and let us know when we can ship your cheese!
