## SHEETING COLLECTION

Our Linden sheeting collection is made with ring spun combed yarn from long staple cotton and blended with polyester for added softness and ease of care. The yarns are woven into a crisp percale with a classic 200 thread count. The hems are lock stitched with high quality thread for added durability. This collection is made to withstand the rigors of the hospitality industry and comes washed and ready for use.

Certified OEKO-TEX® STANDARD 100 and MADE IN GREEN.
