Paper Plate Cat

Hang this black cat to add to your Halloween décor!

Supplies:
- 1 small and 1 big paper plate
- Cardboard
- Scissors, glue
- Black paint
- Yellow and pink construction paper
- White paint, or white or silver gel pen

1. Paint the plates black and let dry. Cut the larger one into a swirl.

2. Cut 4 paws and 2 ears from the cardboard. Paint them black.

3. Cut eyes, smaller ears and nose from the yellow and pink construction paper. Draw the center of the cat's eyes using paint or black marker.

4. Glue the eyes and nose to the small plate to make the cat's face. Glue the smaller pink ears to the larger black ears and glue them to the top of the smaller plate.

5. Glue the head to the center of the swirl. Glue the paws to different parts of the swirl. Add whiskers and claws using white paint or gel pen.
