

SHIELD-U

PPE CLASS 1 MEDICAL DEVICE

A RESPONSIVE, ACCREDITED SOLUTION BASED ON 40 YEARS OF MEDICAL DEVICE SUCCESS

Unique, simple, two-piece design

One size fits all: adjustable headband with patent-pending ratchet design keeps the SHIELD-U in place

Comfort-fit design eliminates pressure points; suitable for all-day use

Superior visor clearance from face allows for additional PPE (safety glasses, goggles, N95 masks, etc)

Open top maintains air flow, preventing fogging

Easily removable front shield is replaceable

Quick, simple user assembly

Bio-compatible materials (ISO 10993)

100% recyclable

ANSI Z87.1:2015 and CSA Z94.3:2020 Standards Compliant

Manufactured in an FDA/Health Canada Registered facility (ISO 13485:2016 certified)

Available in large quantities
