## Brand New: Marlo Laz, Madhappy x Sant Ambroeus, Aquazzura x Swarovski, and More

By Pearl Fontaine  
November 18, 2022

Courtesy of IVAR.

**IVAR**, created by **Ritika Ravi**, recently opened its New York flagship on the Upper East Side. Featured inside are the Indian designer's stunning creations that encompass an array of stones —like diamonds, Mozambique rubies, and Sri Lankan sapphires— with elements of traditional craftsmanship, such as Polki (uncut diamonds with no enhancements or chemical treatments) and enamel.
