THREAD YOUR STOOL

PATTERN NO. 8.1
„LONDON BRIDGE“

STEP 1

Place the parts on top of
each other.

STEP 2

Pull the cord through the
first hole.

STEP 3

Fold the cord around the sides.

STEP 4

Thread the cord through the second hole

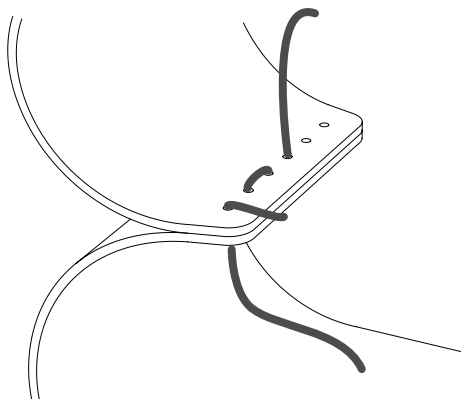

STEP 5

Thread the cord through the third hole.

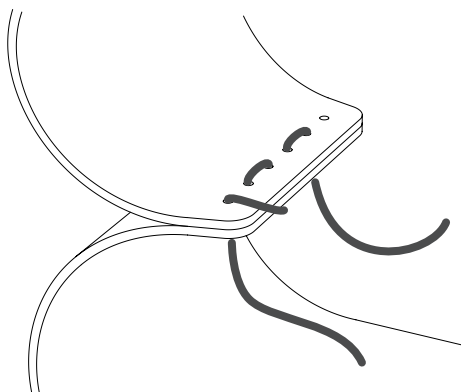

STEP 6

We continue like this.

STEP 7

Now fold the cord upwards around the sides.

STEP 8

And down through the last hole.

STEP 9

One cord end can be a few centimeters longer than the other one.

Check if the cord sits tight. Wherever it's loose tighten as much as possible.

STEP 10

Repeat steps 2-9 on the other side.

STEP 11

Turn your stool around. This is how the underside should look like.

MAKE A KNOT

PATTERN NO. 8.1
„LONDON BRIDGE

For better understanding, we're showing the two cord ends in different shades.

STEP 12

Let's start!

Take the longer cord end and lay it around the shorter one.

STEP 13

STEP 14

STEP 15

STEP 16

STEP 17

STEP 18

We need 3 loops
before we continue.

STEP 19

Thread the end
underneath the 'black'
rope into the first loop
and tighten.

STEP 20

Pull the black rope and slide the knot up as far as you can to tighten the cords.

STEP 21

Now use the end of the 'black' rope...

STEP 22

... and fasten the sliding knot with a simple knot.

STEP 23

STEP 24

Tighten the knot.
Done!

FELT PADS ON AND GO!

Apply the included felt pads to protect the wooden surface from scratching.
