

# TIBBO

Dining table with parasol hole

Design by **Edward Barber & Jay Osgerby** | Item code: **089065** | Weight **35 kg/78 lbs**

## Measurements

**Collection:** Renowned British designers Edward Barber and Jay Osgerby created TIBBO for an era in which indoor and outdoor living spaces are merging. DEDON's first collection in teak, TIBBO combines meticulous craftsmanship, superior comfort and remarkable lightness in a design that's distinctive, elegant and pure. Comprising both dining and lounge elements in a mix of teak, textiles and woven fiber, TIBBO conveys an exceptionally rich and luxurious look and feel.

**Dining table:** The latest addition to the awarding-winning TIBBO collection by Barber Osgerby is a circular dining table measuring 150cm in diameter. Like the rest of the collection, the table is made of teak and characterized by simplicity, warmth and a deep sensitivity to the beauty of hand-turned wood.

**Frame:** This table consists of premium teak.

**Characteristics:** Calmative, elemental, engaging, comfortable, nordic, hand-crafted, lightweight

**Frame maintenance:** Wash using DEDON teak cleaner. To retain the golden-brown color of unweathered teak, we recommend applying DEDON teak oil at least once in every six months.
