

MELODY CARTRIDGE

How to install the melody cartridge to your clock

1. Insert the cartridge to the melody unit before installing the batteries
2. Install batteries and set the time (refer to instruction manual)

How to change the melody cartridge

1. Remove batteries
2. Remove melody cartridge by holding and securing the melody unit firmly with one hand and pulling the cartridge with the other
 - * The unit is made to have a snug fit on the cartridge so you will have pull on the cartridge somewhat hard in order to release it from the unit.
3. Insert new cartridge
4. Install batteries
5. Enjoy new melodies
