COLOUR ALL THE WAY THROUGH

Mirostone's colourful designs are not just skin deep, they run consistently throughout its 20mm thickness. So now you can have some uniquely stylish and practical worksurface features.

RENEWABLE & REPAIRABLE

Mirostone is a modified acrylic meaning unlike stone composites and other surfaces in the market, it can be repaired and renewed with ease.

THE SAFEST SOLID SURFACE

Mirostone is a completely safe surface on which to prepare and eat food. Mirostone is easy to clean and waterproof so harmful germs are prevented from being harboured on the surface.

PERFECT FOR ALL WET AREAS

Because Mirostone is a solid work surface with no chipboard core, it is completely waterproof and hygienic making it the perfect solid surface benchtop for your kitchens, laundries and vanities.
