

# Sunglass Rage/Clip-onSunglasses.com Slim Rectangle Clip-on Sizing Template

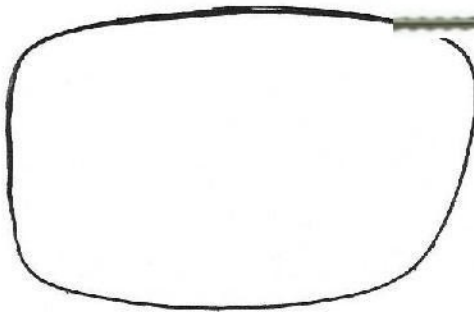

1. Download this file template to your computer.
2. Open the file and print using "actual size" setting. **You must print template.**
3. After printing, place a quarter over the quarter image to verify actual size.
4. Place your glasses over the different scans. Try to find the closest match to one side of your frame lens only. There is a spring which allows the clip-on to expand and retract.
5. Write down the shape and size for the template that fits best, return to the website to order.

## Spring Expands & Retracts To Accommodate Frame Width

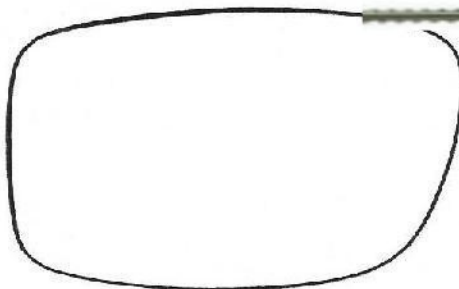

Place your frame left side lens here. Your lens must fit inside this outline
