

The Most Effective Denture Care System

Talk to Your Patients About Their Denture Hygiene Routine

Cleanadent Crystals

The only over-the-counter cleanser that kills pathogens like **Candida (Oral Thrush), Strep and Staph!** Disinfects instantly without the use of bleach or chlorine. **Removes the toughest stains and eliminates odor!** Best paired with a Sonic Cleaner.

Use Once a Day to Disinfect. Ideal for Dentures, Partials, Aligners, Sleep Apnea Devices, Mouth and Snore Guards, LOCATORS and Overdentures.

Adhesadent

The only denture adhesive that is specifically designed to **reduce dry mouth**. Our unique formula contains Aloe Vera and Vitamins A, D & E to **moisturize and sooth the gums**, and a new copolymer that provides a **strong, long-lasting hold** yet is **easier to clean** from the appliance and gums.

Use as needed. Awarded the Prestigious ADA Seal of Approval.

Cleanadent Paste

Cleanadent Paste is specially formulated with Vitamins, Aloe Vera, Coconut Oil and Tea Tree Oil to **Clean and Moisturize the Mouth** as well as **Reduce Irritation**. Excellent at removing Denture Adhesive. It is the only cleansing paste designed for BOTH the gums and oral appliances.

Use Daily, Especially After Meals. Ideal for Dentures, Partial Dentures, Implant Dentures and Overdentures.

Special Formula to help prevent Dry Mouth and Discomfort:

- ✓ Vitamin A
- ✓ Vitamin D
- ✓ Vitamin E
- ✓ Aloe Vera
- ✓ Coconut Oil
- ✓ Tea Tree Oil
