JUNE 18, 2016

Since we incorporated auctions into our business in the Spring of 2015, Colonial Acres has been astounded by the feedback that we have been receiving from consigners and participants alike. Each time we succeed in producing a consigner the right price for their consignments, we feel a sense of pride, knowing that we could make someone happy. As well, when a participant manages to win the item that they may have been battling over for some time, we mutely cheer at the participant, and hope that they are pleased with their purchase.

We are delighted to present our next auction, taking place on June 18th, 2016 at 3pm EST, which promises to be an excellent opportunity for collectors, investors, and the general public alike. Most lots will sell at 40% to 150% of the estimate. If you place a bid of about 60% of the estimate you should have a good chance of winning the lot, while a bid of 110% of the estimate you will likely win the lot. The estimates given are taken from Charlton catalogues, Canadian Coin News, Ebay sales, Canadian Coin News trends, Canadian Dealer Newsletter retail prices, Krause publications, ICCS Cornwell, NGC Census, and PCCGS Census.

All Bidders are held responsible for their own bids, any errors in calculations and or lots numbers is considered a final bid. Please double check your calculations and lot numbers before signing and submitting bid sheets to us.

In the case of a discrepancy between bids after the hammer has fallen, all decisions made by the auctioneer are final and not negotiable, in some cases that deemed necessary a lot may be re-opened and if you were the previous high bidder you may need to bid again to win the lot.
