CHARTERED BANKNOTES

1152. 1837 (39) 25c piece of unlisted Merchant Scrip Issued by F.H. Hinman of St. Catharines. The intact pieces of the piece are fairly nice considering the time period; a solid VF. However, the piece has many tears and tape repairs. It has listed William Hamilton Merritt as the Payee; a prominent business man in the area at the time. However, is it also payable to the bearer as is typical for merchant scrip. This is perhaps the first time such a piece has been made available for sale and it may be some time before another one surfaces. A prime opportunity to own a previously unknown piece. OPENING BIDS & ESTIMATES: The opening bid for all lots will commence at 10% above the second highest bid received or the consignor's reserve (whichever is higher). All mail bids received prior to the live auction will be lowered whenever possible (so don't be afraid to put down your maximum bid!!) All lots will be started at either the consignor's reserve or 50% of the estimate.

Most lots will sell at 40% to 150% of the estimate. If you place a bid of about 60% of the estimate you should have a good chance of winning the lot, while a bid of 110% of the estimate you will likely win the lot. The estimates given are taken from Charlton catalogues, Canadian Coin News, eBay sales, Canadian Coin News trends, Canadian Dealer Newsletter retail prices, Krause publications, ICCS Cornwell, NGC Census, and PCGS Census.
