The staff at Colonial Acres is delighted to present our Second Public Premier Numismatic Auction, in conjunction with the National Postage Stamp and Coin Show. We would like to offer our sincerest appreciation to all the consigners who have contributed to make this live event possible. We have been elated by the participation from the public and enthusiasm that collectors have shown to make our auctions an overwhelming success. With each auction, we are proud to provide you with exceptional deals on collectables, and great customer service in ensuring that your items are appropriately represented and, of course, arrive safely!

This auction will be presented over a three session event from Friday to Sunday. Session 1 & 2 will be Friday and Saturday at 5:30pm EST (2:30pm PT) with both live floor bidding in Mississauga and online bidding at icollector.com, while session three will be online only on Sunday at 12pm EST (9am PT). We have a 1938 Royal Bank / St. Kitts \$5 PMG VF-25, highest graded by PMG and only 6 known examples, a very rare Blacksmith token BL-53A1 ICCS F-12 & an 1822 Half Dollar Anchor CH# NC1a2 ICCS EF-40. Many unique errors such as a 1969 Canada 1-cent Double Struck Flip over in Collar & 1995 Canada 50-cent off metal stuck on a Loon dollar Planchet. We also have some great decimal coins such as an 1893 Round Top 10ct ICCS VF-30, 1870 No LCW 50ct ICCS VF-20 and many vintage silver bars.

Using our unique bidding platforms, we are pleased to offer several different ways to place your bids! On September 7th & 8th at 5:30pm EST, join us live at the Mississauga National Postage Stamp and Coin Show or online through icollector.com, and Session 3 Online ONLY September 9th! Can't make it to the auction or would rather place your bids beforehand? No problem! You can place your bids by mail, fax, telephone, email, or in store (bids must be received by September 7th at 4:00pm EST). Bidding starts online August 17th 2018, so you have plenty of time to get your bids in before the live event! We look forward to working with you and hope that you enjoy this experience as much as we do! Good luck to all of our participants and consigners, and happy bidding! ## CANADIAN FIFTY CENTS

683. 50-cent 1870 No L.C.W., Scratches, ICCS Certified VF-20. This is a highly sought after variety in the 1870, very rarely seen in this mid-grade point. The coin has an overall appealing tone with nothing too distracting. There are some scratches on the Reverse, there are some light horizontal lines below the '50', 'Cents' and '1870'. Recommend a good look as it is still an attractive coin. **(\$2,000) ..... \$4,500**

**1322. BC-58d-E27-iv. Error Inverted Design 1991 \$20, Knight-Dodge, EVY2080764, BCS Certified EF45 Original. This 1991 \$20 is of the inverted design error type. It's a Scarce type of error where the Banknote sheet is fed through a part of the printing process rotated 180 degrees. In this case, the sheet was rotated during the process where the engraved parts were added and then subsequently the serial number was inverted as well. The note is original with only one hard vertical crease down the center. One of the Planchets has been removed, no doubt in an attempt by a novice to determine whether the note is genuine or not. Although it may look unorthodox, it is definitely a genuine note and a genuine, very Scarce, ERROR. Bidding is expected to be enthusiastic. (\$1,800).....\$3,500**
