# Various Positions Nightstand

Inspired by his fascination with the aesthetic allure of interiors depicted in films and literature, Yaniv Chen endeavors to capture the essence of captivating spaces. Reflecting upon his formative influences, he recalls the delightful charm of the classic television series "Jeeves & Wooster," set in the extravagant backdrop of the 1920s. It was within the confines of Wooster's apartment that Chen encountered the enchanting allure of art deco design, characterized by the juxtaposition of yellow timbers against meticulously lacquered, high-polished walnuts and mahoganies. With the Various Positions Nightstand, Chen seeks to reinvent this decadence.
