NZ'S TOUGHEST HARDLID

FEATURES & BENEFITS:

- Solid 4mm Aluminium 5 bar chequer plate lid
- Unsurpassed 300kg Load capacity
- Integrated heavy duty rails with eight tie down points
- Heavy duty 1050Nm struts
- Wellside mounting brackets are manufactured with 304 stainless steel to remove risk of rust.
- No plastics / metal finishing's that can fade, become brittle or rust over time.
- Heavy duty cast aluminium twist handle and slam latch closing
- Weather and dust resistant
- Smooth sanded edge around the hardlid, no rubber capping used to cover raw edge giving a sleek finish.
- Branding plate at rear of hardlid acts as a second form of security *(tailgate cannot be opened when lid is closed and locked)*
- Quick and easy to Install / Remove and Reinstall *(Suits people who want to have the benefit of a Hardlid but also have the flexibility be able to take it off when needed)*
- Hard wearing powder coat finish in Oasis black
- Compatible with under rail style wellside liner only
- MAC Utes is a 100% NZ owned, operated manufacturer

COMPATIBLE OPTIONAL EXTRAS AVAILABLE:

- MAC300 tie down kit including four tie down brackets and two ratchet straps
- MAC300 Crossbar adapter brackets *(for crossbars, bike carriers, roof top tents, fishing rod holders, Ski and snowboard carriers and watercraft carriers)*
- Central Locking
- USB rechargeable LED Interior Light
- MACGAP 100mm and 150mm compatible
- Wellside paint protection Kit *(available for some vehicle models only)*
