UTE ACCESSORIES

TRACK ADAPTER KIT

We have specifically designed a leg kit to fit the tracks on our MAC100, MAC230F and MAC230FR lid range. Made from 4mm alloy and powder coated to match your MAC Utes lid.

These brackets mount directly onto the tracks on the hardlid enabling you to mount crossbars. They are the perfect addition to your MAC Utes Lid for bike carriers, roof top tents, fishing rod holders, Ski and snowboard carriers and watercraft carriers.

Compatible with major brand cross bars, they are easy to install so you will be off on your next adventure in no time!
