HOW TO CHOOSE COLOURS FOR YOUR HOME

Choosing the right colour for window ware is essential as it significantly impacts the overall aesthetic of the space of your room, setting the mood and atmosphere. Not sure how to choose the right colour for your home? Here are some tips to choose the perfect colour, **JUST FOR YOUR HOME!**

For your
bedroom
in a lively mood,
Pastel

Purpose of your Room

When choosing the colour of your window treatments, the purpose of the room plays a crucial role. For instance, soft-toned curtains that create a serene and cozy atmosphere are suitable for a relaxing bedroom. On the other hand, vibrant colours or neutral tones in spaces like study room or home offices can enhance concentration and productivity.

Therefore, considering the function of each of your room is essential when selecting the appropriate curtain colour.

Bed Room

Soft-toned colour
like beige, brown, grey

Children's Room

Vibrant colour
like blue, pink, green, yellow

Dining

Warm-toned colour
like orange, patterned fabric

Home Office

Mono-toned colour
like black, white, grey

For your
modern
living room,
Villiv

Match with your existing colour

Considering the colours of elements such as the walls and furniture in the existing room is important when choosing colours of window treatments.

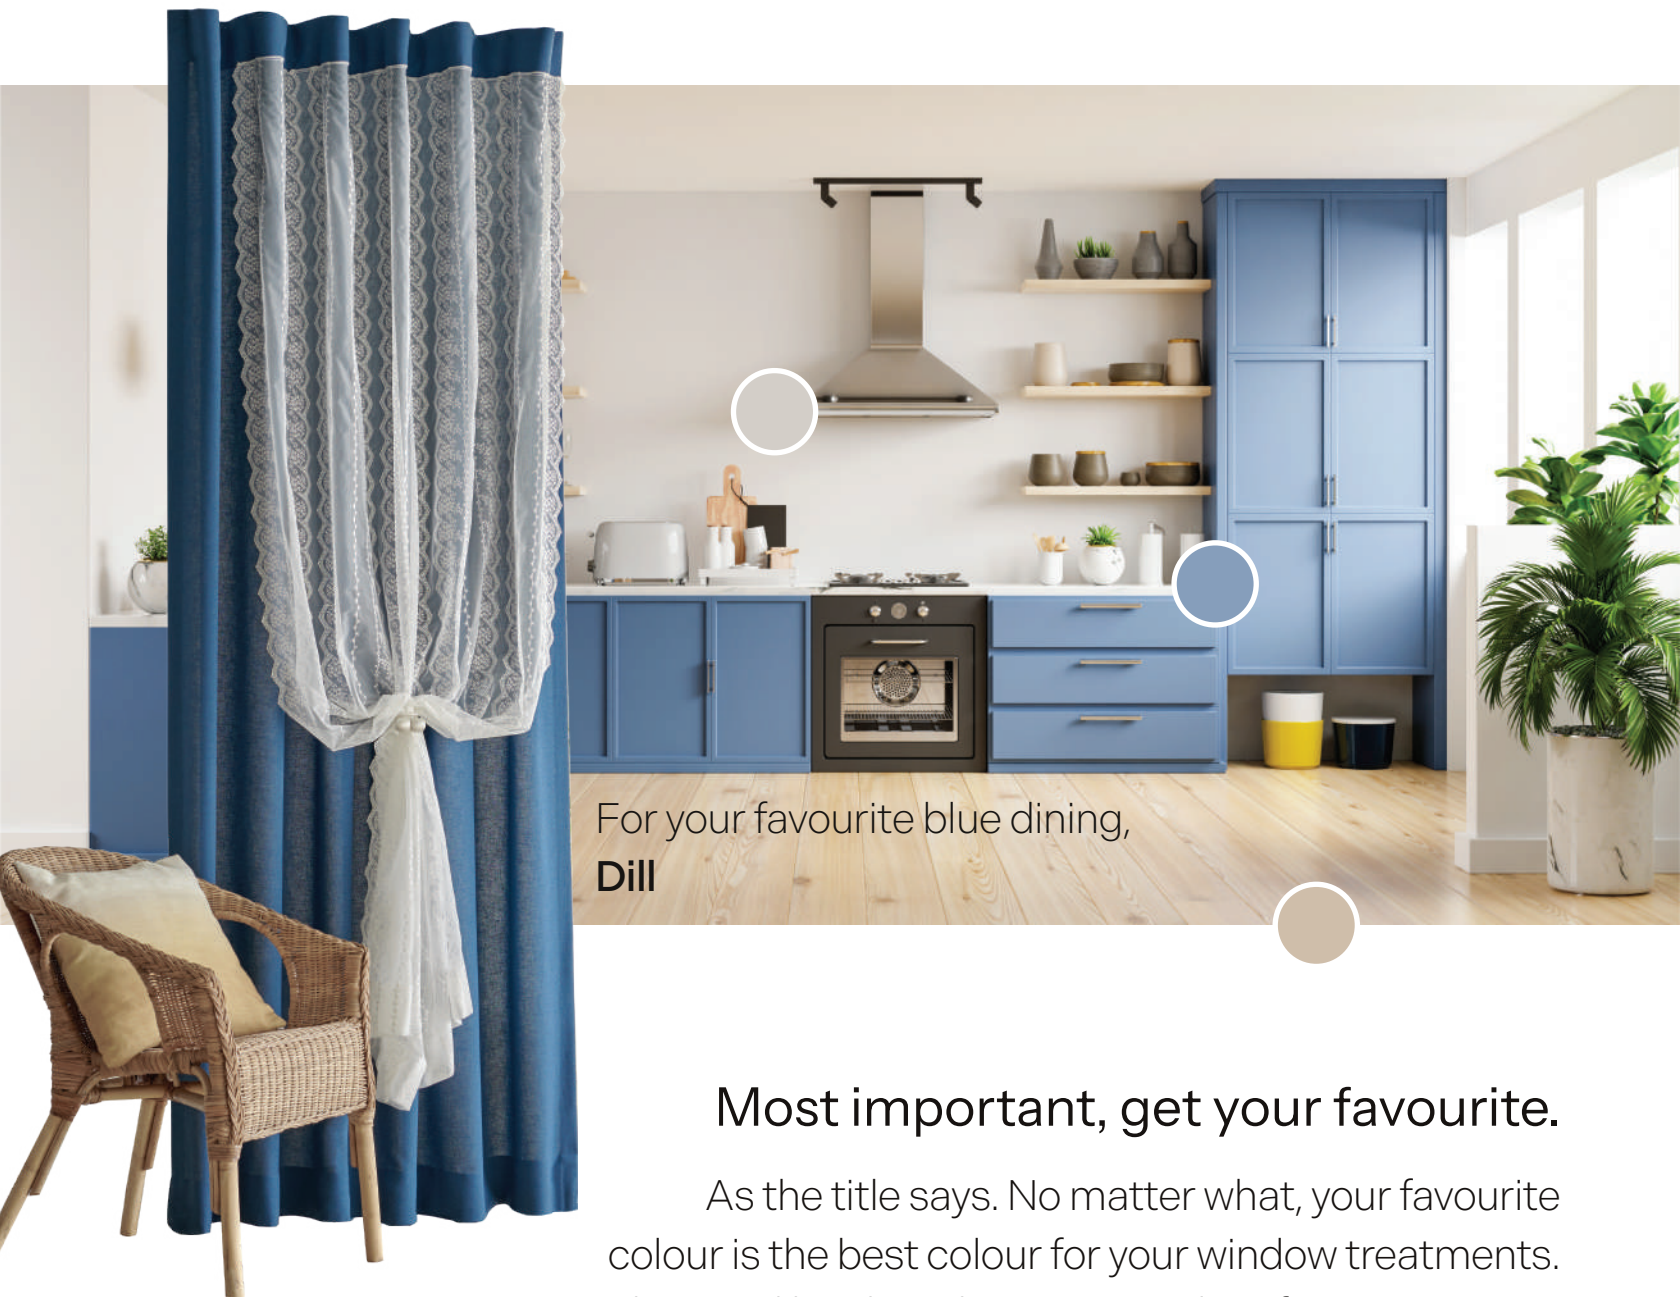

This ensures that the colours or patterns of curtain are harmoniously coordinated with them, allowing for a unified atmosphere and cohesive space design.

Which colour takes most part of your home?

The answer is in your home!

For your
living room
in an elegant mood,
Villiv

For your favourite blue dining,
Dill

Most important, get your favourite.

As the title says. No matter what, your favourite colour is the best colour for your window treatments. Focus on what you like, then that is your colour for your curtain!

Still not sure which colour to choose?
We will help you with all colours in your home!
