During Week 9 of AMX GLOBAL LEAGUE SEASON 3, we have received and reviewed the following protest :

1.

OUTCOME : P2 Penalty for Gustavo Ariel (10 Second Post-Race Penalty)

After the start, Gustavo Ariel entered the corner with more aggressive braking than other drivers at T1, causing him to lose control. As a result, the two drivers who were in front of him before braking suffered significant damage. After reviewing the onboard camera footage, it was determined that this was not intentional, however, a P2 penalty is imposed on Gustavo Ariel for the incident at T2, due to the severity of impact on the two drivers ahead.

We have also reviewed incidents that we believe necessary to review, and have penalized the following :
