TWO WHEEL PASSION

It all began in 1906, more than 100 years ago, where in the Swiss canton of Lucerne, a family-owned repair shop for bicycles and motorcycles was opened. This repair shop would later evolve into today's diversified Hostettler Group (AG) in 1957, laying the foundation for all our favorite 2-wheeled activities.

iXS, launched in 1979, allowed the company to step in and step up against market competition, rich with renowned contenders and suppliers within the business of motorcycle equipment and apparel. Some 20 years later, precisely in 2001, iXS Sports Division was launched, signaling a new era of mountain bike apparel and protective gear development, entirely built on a century-long passion for mountain bike sports, the outdoors, and a strong passion for racing.

... and with another 20 years "under our belts", we have an exciting program to present to you in the following pages. Enjoy surfing our catalogue & stay stoked.

LEIDENSCHAFT FÜR ZWEIRÄDER

Was im Jahre 1906 im luzernischen Wolhusen als Familienbetrieb mit einer einfachen Fahrrad- und Motorradwerkstätte begann, hat sich bis heute zum vielseitigen Unternehmen mit insgesamt acht innovativen Tochterfirmen entwickelt. Mit der Gründung der hostettler ag wurde 1957 der Grundstein zur heutigen Geschäftsform gelegt.

Mit der Gründung von iXS im Jahr 1979, tritt die Firma gegen die grossen Herausforderer im Reigen der Motorrad-Bekleidungsanbieter an. Etwas mehr als zwanzig Jahre später, genau gesagt in 2001, wurde die Marke um die iXS Sports Division ergänzt. Die Entwicklung funktioneller Mountainbike Bekleidung und Schutzausrüstung basiert auf jahrzehntelanger Leidenschaft für den Mountainbike Sport, das draussen sein und die grosse Leidenschaft für den Rennsport.

... und weitere zwanzig und etwas mehr Jahre später haben wir eine grandiose Auswahl an fantastischen MTB Produkten für dich bereit. Wir hoffen du findest dein neues Lieblingsprodukt beim Blättern durch die Seiten...
