

TRM 681 Treadmill Experience™ Series

For a commercial treadmill that strikes the optimal balance between durability, reliability, and innovation at a value price, look no further. The TRM 681 delivers on these essentials along with premium materials, club-level appearance, and features.

The clean and proven design of the P82 touchscreen console makes it easy for exercisers, whether new to Precor or familiar, to locate controls, inputs, and adjustments.

The user interface delivers a smooth response to swipes and selections as exercisers enjoy an uninterrupted workout.

Not only does the TRM 681 give you the unique ability to combine a value-priced treadmill base with a premium console, it also can be seamlessly mixed and matched with cardio products from the Experience Series 700 and 800 lines to give you the best possible combination of cardio equipment for your exercisers.

TRM 681 Treadmill Experience™ Series

Product Features

1. P82 Console

The P82 console not only offers a brilliant 15 in / 38.1 cm screen that's ergonomically positioned to deliver crystal-clear entertainment viewing for exercisers in motion, but when networked is also a direct-to-exerciser communication portal giving you the opportunity to build your brand, share information about activities and services, and strengthen the sense of community within your facility.

2. Commercial-Grade Drive and Lift Motor

The TRM 681 is equipped with a commercial-grade 3 HP AC-motor that enhances performance, efficiency, and reliability to deliver a treadmill that is ideal for fitness facilities located in multi-family housing complexes, corporations, small municipal service organizations, and many hospitality venues.

3. Integrated Footplant Technology™

Recognizes the exerciser's natural foot speeds and matches every stride for an ultra-smooth feel that enhances their workout experience.

4. Ground Effects® Impact Control System

Our patented GFX system combines ideal cushioning, support, and stability for exercisers. Precor decks are designed to provide more absorption in the front where the exerciser's feet hit the belt and added rigidity at the back for a firm push-off.

Refined colorways with dark Tungsten covers and two frame color options.
