

## ICR50

If you love a real studio ride, our new ICR50 makes it easy to take on a virtually limitless variety of cycling workouts in the comfort of your own home. Advanced ergonomics and precision design deliver performance every bit as intense as your favorite class. The optional 22" IX Display completes the immersive experience when you connect your smartphone, tablet or digital media player to stream live and on-demand classes, virtual courses or your favorite entertainment. ICR50 is even Bluetooth compatible to work with the leading training apps and keep you on track for your goals. Bring home a studio ride today with the new ICR50 Indoor Cycle and IX Display, only from Matrix.
