

HOIST® IS PROUD TO INTRODUCE THE NEW HOIST® LEMOND® SERIES UT UPRIGHT TRAINER!

The HOIST® LeMond® Series UT makes performance and comfort a priority. Built to deliver a better workout, every component of the HOIST® LeMond® Series UT has been designed to make this the most innovative indoor upright bike available. Designed in partner with three-time Tour de France Champion Greg LeMond, this new design combines innovative technology with unique features that allow the rider to create a custom riding experience. A superior frame, wide range of seat and handle bar adjustments and even two seat options are just some of the many features that define this bike as a leader in the home fitness industry.

FEATURES

- Comes standard with two seat options for optimal comfort
- CaloriePump™ feature to highlight calories burned
- Upgraded LCD display console
- Bluetooth LE enabled with free HOIST Cycling app (coming soon!) to track fitness progress
- Upgraded handle bar design
- Upgraded larger pedals with ratchet style straps for secure and comfortable foot positioning
- Vertical and fore & aft handlebar and seat adjustability – find your perfect fit!
- Self-powered option or power cord for 24/7 power (power cord not included)
- Workout programs — 14 featured programs including 7 designed by Tour de France winner Greg LeMond
- Strong, durable frame
- Attractive, sleek and compact design — takes up less space than an elliptical or treadmill
- USB charging port — charge your device while you work out
- Large range of resistance levels — Set between 1 and 20 for a usable watt range from 33 to over 1,200
- Narrow crank design — Replicates the geometry of a road bike for greater comfort
- Standard threaded cranks — Compatible with all standard cycling pedals
- Contact heart rate sensors
- Telemetry heart rate equipped — 5 KHz Polar compatible heart rate straps (Not Included)
- Calibration free — Unbox, then hop on and ride
- Digital drive system — For smooth and accurate power feedback
