

## BUBBA POD – SAFETY GUIDELINES

### **SUPERVISION REQUIRED AT ALL TIMES**

Bubba pod must be used in a supervised and safe environment.  
Tummy time in bubba pod must be supervised.

### **CHILDS POSITION IN BUBBA POD**

Childs head should be positioned at the top of the Bubba pod.  
Always place the child on their back to sleep.

### **WHERE TO USE THE BUBBA POD**

Bubba pod must be used on a flat, level and stable surface.  
Do not use the Bubba pod on an elevated or inclined surface.  
Do not use the Bubba pod in a crib, bassinet or other contained area as there may be a risk of the baby moving and becoming entrapped between the bubba pod sides and the structure.  
Not suitable to use for overnight sleeping.

### **HOW BEST TO USE MY BUBBA POD**

Bare is best! We do not recommend using any blankets or quilts on top of the Bubba pod. If used, please ensure they are tucked in securely to prevent any suffocation risk.  
Do not put any other items in the Bubba pod pillows toys must not be left in the Bubba pod.  
Should the Bubba Pod become damaged, please discontinue use.
