

## (1) YEAR LIMITED WARRANTY

DESIGN ELEMENT offers the following limited warranty on each of its Vanity products\* (the "Product") and the components thereof. This warranty extends only to the original owner or end-user for personal household use. For commercial uses, additional limitations apply.

Subject to the Warranty Service provision below, any product reported to the authorized dealer or to DESIGN ELEMENT as being defective within the warranty period will be repaired or replaced (with a product or component of equal value) at the option of DESIGN ELEMENT. This warranty extends to the original owner or end-user and is not transferable to a subsequent owner.

DESIGN ELEMENT reserves the right to modify this warranty at any time, it being understood that such modifications will not alter the warranty conditions applicable at the time of sale of the products in question.

Neither the distributor, authorized DESIGN ELEMENT dealer, nor any other person has been authorized to make any affirmation, representation, or warranty other than those contained in this warranty. Any affirmation, representation, or warranty other than those contained in this warranty shall not be enforceable against DESIGN ELEMENT or any other person, persons or entity.

### **Warranty Coverage**

DESIGN ELEMENT warrants the Product to be free from defects in workmanship and materials under normal use and service for a period of one (1) year from the initial date of purchase by the owner or end-user, contractor, or builder, from DESIGN ELEMENT or an authorized DESIGN ELEMENT dealer. The original purchase receipt must be provided to DESIGN ELEMENT for all warranty claims.

### **Limitations**

This warranty shall not apply to instances of incorrect operating procedures, breakages, or damages caused by fault through improper installation, carelessness, abuse, misuse, misapplication, improper maintenance, or alteration of the Product, as well as chemical or natural corrosion, accident, fire, flood, an act of God, or any other casualty. Avoid abrasive cleaners, steel wools, and harsh chemicals as these will scratch, damage, and / or dull the product and / or finish and void this warranty. The owner/end-user of the Product covered by the present warranty is entirely responsible for its proper installation and any applicable plumbing or electrical wiring. DESIGN ELEMENT neither installs nor supervises the installation nor hires a contractor for this purpose; consequently, DESIGN ELEMENT cannot be held responsible for any default, breakage, or damages caused thereby or resulting thereof, either directly or indirectly.

This warranty does not apply to Products that have not been installed or operated in accordance with instructions supplied by DESIGN ELEMENT and all applicable rules, regulations, and legislation pertaining to such installations.

This warranty does not apply unless the DESIGN ELEMENT Product is installed by fully insured licensed professionals. DESIGN ELEMENT strongly recommends that such licensed professionals have experience in the installation of bathroom and kitchen products. Installation of certain products, including, without limitation, glass products (i.e., shower doors and glass sinks) by an inexperienced person may result in glass breakage and, consequently, cause personal injury or death.

DESIGN ELEMENT is not liable for personal injuries or deaths to any persons or for any direct, special, incidental, or consequential damage, loss of time, loss of profits, inconvenience, incidental expenses, labor or material charges, or any other costs resulting from the use of the product or equipment or pertaining to the application of the present warranty, or resulting from the removal or replacement of any product or element or part covered by this warranty.
