

# William Henry Jewelry Size Guide

Bracelets-The standard size for most bracelets will be large (see chart below) and we offer up to four additional sizes for most bracelets. NOT ALL BRACELETS ARE AVAILABLE IN ALL SIZES. Look at each item on the web site to see what sizes are available for each item.

Necklaces/Pendants-We offer up to 4 choices in necklace length on most necklaces. Standard size will vary based on the style of the pendant.

## BRACELETS

Measure the circumference of the wrist above the wrist bone (towards the elbow) with a flexible tape measure.

Compare the measurement to the chart and choose the bracelet size that corresponds to the measurement.

All our bracelets are immediately available in a default size which should accommodate the majority of customers. Allow up to 3 business days for customization, if you pick a different size.
