Welcome

to the new 'SILVER by Absolute' catalogue, where all products have been designed and produced to the highest quality and craftsmanship!

Featuring a selection of pendants, layered necklaces, bracelets and earrings, this collection is delicate, dainty and very on trend in the current market.

The 'Alphabet' and 'Birthstone' collections are still hugely popular and dainty earrings are always a winner.

We have introduced many new styles to our collections this season.

We hope that you enjoy our catalogue!
