

SPRING / SUMMER 2024

Absolute
Jewellery Design

Welcome to our new Spring/Summer 2024 catalogue

We are delighted to showcase our new collection for Spring/Summer 2024.

One of the new colours for this season is pink sapphire set in yellow gold. This is a beautiful colour combination and we are confident that it will sell well for you. We are seeing a huge shift towards yellow gold at the moment - you will see all of the new designs in yellow gold at the front of the catalogue.

We have also brought back our ever popular midnight blue set in silver. This colour is a winner all year round and we have many designs to offer you.

Many new styles have been added to our extensive earring collection. Most earrings are available in the 3 different metals. A selection of earring stands are available, please contact the office for all the available options.

Don't forget to check out our 'Sale pages' - pages 65-69, 124-128 and 157-170. We have some fantastic offers with all items on these pages reduced to half price.

As always, our bag and satin pouch is included with all of the jewellery. We also have a lovely new range of boxes that are available for purchase - please see Pg 188.

All of our jewellery is nickel and lead free. It is of the highest quality and craftsmanship and we hope that you enjoy wearing it.

Please contact the office or mobile if you have any queries!

To place an order, please contact us by phone / fax / email.
