

Disclaimers

- This web site was created to provide information and products relating to Rolltek International Limited to its customers. Access to any information shall not be deemed to give rise to any commitment or obligation on the part of Rolltek International Limited. Conditions relating to the supply of goods are dealt with in "Terms & Conditions of Sale."
- Access to this web site is solely for legitimate business purposes to access the information provided by Rolltek International Limited. Any access or attempt to access other areas of Rolltek International Limited web site computer system or other information contained on the system for any purposes is strictly prohibited.
- The pages within this web site, static or dynamic, are never considered finished nor complete. Rolltek International Limited reserves the right to alter pages within this site without any prior notice. In particular we reserve the right to change prices listed without notice. Prices are correct at the time of order only and relate to Internet purchases only. All orders for products are subject to availability and we reserve the right to refuse to supply any particular person. Any changes to the policy will be posted on the site.
- The information contained in this web site may contain technical inaccuracies or typographical errors. All liability of Rolltek International Limited howsoever arising for any such inaccuracies or errors is expressly excluded to the fullest extent permitted by law.
- All specifications, drawings, graphics and descriptions contained within this web site are intended merely give a general description and any person reading them may not rely on anything therein as being a representation of fact or a warranty relating to the quality of the goods or of being fit for a particular purpose. Due to the nature of the site and the potential for errors in the storage and transmission of information Rolltek International Limited accepts no responsibility for any reliance placed on the website or for any reliance placed upon the information contained on any website accessed through this web site.
- Product cross-references do not imply that all products compared are available or that performance and other characteristics are perfectly comparable. For critical applications, review specifications prior to purchase.
- Rolltek International Limited makes no representations or warranties, express or implied, about the accuracy, completeness, satisfactory quality or suitability for any purpose of the information in or contents of this web site. Rolltek International Limited expressly excludes to the fullest extent permitted by law any loss or damage incurred, directly or indirectly, from inaccuracies contained within this web site. Rolltek International Limited. makes no warranties that the said information is free on infection by computer viruses or other contamination.
- Rolltek International Limited accepts no responsibility for unauthorised access or unauthorised actions and their consequences of the user. Users of this web site must be satisfied that he or she has the authorisation to access this web site and the full use of this web site. Rolltek International Limited does not advocate the violation of any laws connected to the use of this website.
- Rolltek International Limited uses a secure server that implements Verisign SSL certificate to protect your credit card information. However the security of information and payments transmitted by the Internet cannot be guaranteed and Rolltek International Limited accepts no responsibility for any losses incurred or sustained by customers who transmit information via this website and/or by e-mail. If using a public computer please remember to sign out when you have finished.
- The information contained within this web site was created in a manner which is thought to be compatible with most browsers. The appearance of the site is therefore dependant on the software you are using and is such outside the control of Rolltek International Limited. Rolltek International Limited accepts no

responsibility for losses or damages resulting from any errors occurring in relation to your browser.

- Rolltek International Limited uses a feature called a "cookie." Cookies, if accepted, are stored on a browser's hard drive and will assign a unique identification to your computer. You can still access the web site if you decline the cookie.
- If you send ideas, remarks, questions, data, graphics or the like ("the Submissions") to us, these will become the exclusive property of Rolltek International Limited, the Submissions will be deemed to be non-confidential and we will be entitled to use or disclose the Submission in any manner whatsoever, without liability or notice to you. The Submissions or any other information you send to this web site should not be, or contain, material which is offensive, pornographic, defamatory, blasphemous, unlawful or likely to infringe any applicable law, whether civil, criminal or religious. You agree that all material submitted to us is original to

you, and not copied in whole or part from any third party. Please do not send anything which is required to be kept confidential.

- Rolltek International Limited are not responsible for any off-site pages or any other sites linked to this web site nor have we reviewed any such site. If you link to any off-site pages or other sites without our prior written permission, such action will be at your own risk. We cannot be held responsible for the contents of any web site which is electronically linked to this web site and which is not maintained by us.
- Rolltek International Limited collects personal information from you during registration and ordering as well as the cookie technology described above. We will keep this and any other information you give us so that we can carry out credit checks and personalise your service: if you do not want the information to be used in this way, please press here. None of this information will be supplied to any third parties, save as described.
