FOR TINY TOTS

CONNECTING COMMUNITIES

WWW.LITTLETHINGS.ORG.AU

Little Things for Tiny Tots is a volunteer run charity that provides new & preloved essential baby items to West Australian families in need.

Based in metropolitan Perth, Little Things for Tiny Tots addresses families' immediate need for physical items like nappies, blankets & clothing to support the health & wellbeing of newborn babies.

Generously funded by grants, our Connecting Communities program reaches people in need who are based in regional WA & would otherwise not be able to access our service.
