| Section 4. First Aid measures  |
|--|
| Take phrases in section 2 into account   |
| 4.1 Description of first aid measures  |
| After inhalation   |
| Remove from the exposure area to fresh air. Contact a doctor if necessary.   |
| After skin contact   |
| Remove contaminated clothing. Wash thoroughly with soap and water. Seek medical advice if irritation persists or there is any sign of tissue damage. |
| After eye contact  |
| Flush with plenty of water and seek medical advice if necessary.   |
| After ingestion  |
| Wash mouth with plenty of water and obtain medical advice immediately.   |
| 4.2 Most important symptoms and effects, both acute and delayed  |
| No further information available at this time  |
| 4.2 Indication of immediate medical attention and special treatment peeded   |
| 4.3 Indication of immediate medical attention and special treatment needed<br>No further information available at this time                          |
| Section 5. Fire-fighting measures  |
| 5.1 Extinguishing Media  |
| Carbon dioxide, foam or dry powder.  |
| DO NOT USE A DIRECT WATER JET.   |
| 5.2 Special hazards arising from the substance or mixture  |
| May produce Carbon dioxide and unidentified organic compounds.   |
| 5.3 Advice for fire-fighters   |
| Wear protective clothing and avoid inhalation of vapours. Keep containers cool with water spray  |
| Section 6. Accidental release measures   |
| 6.1 Personal precautions, protective equipment and emergency procedures  |
| Remove all sources of ignition.<br>Avoid inhalation, skin and eye contact.<br>Ensure proper ventilation.   |
| 6.2 Environmental precautions  |
| Do not discharge directly into drains or the soil. Keep away from surface and ground water   |

6.3 Methods and material for containment and cleaning up
Soak up spillage with sand or other inert absorbant material such as earth or vemiculite; transfer used material to a suitable waste container and dispose in accordance with regulations.

6.4 Reference to other sectionsRefer to information in Sections 7, 8 and 13

Section 7. Handling and storage

- 7.1 Precautions for safe handling Maintain good occupational and personal hygiene. Avoid inhalation and contact with skin and eyes.
- 7.2 Conditions for safe storage, including any incompatibilities Store in tightly sealed original containers away from ignition sources and in a cool place.
- 7.3 Specific end use(s) No further information available

Section 8. Exposure controls / personal protection

- 8.1 Control Parameters No information
- 8.2 Exposure controls

Engineering controls No information

Individual protection measures

Refer to Section 5 for specific fire/chemical personal protective equipment advice. Always wash routinely before breaks, meals and at the end of the work period.

Eye/face protection

Wear safety goggles.

Hand protection

Wear chemically resistant disposable gloves.

Other skin protection

Wear overalls. Always wash routinely before breaks, meals and at the end of the work period.

Respiratory protection

Not generally required. Use inhalation protection in poorly ventilated areas
