## NATURAL CERTIFICATE

Dear Sir or Madam,

PRODUCT: Vetiverol ex Vetiver Haiti  
CAS: 89-88-3

This is to certify that, to the best of our knowledge as determined by the documentation we have received from our suppliers, the aforementioned product

is **100% pure and natural** (single source).

As per ISO 9235, natural aromatic raw materials are “of vegetal, animal or microbiological origin, as such, obtained by physical, enzymatic or microbiological processes, or obtained by traditional preparation processes (e.g. extraction, distillation, heating, torrefaction, fermentation).”
