HORIZON offers an eclectic mix of lively and contemporary patterns.

Fusing geometric patterns with textures and a fun stripe, HORIZON is meant to mix and match seamlessly creating an interior that has energy and spirit.

RETRO, ELECTRA and ON LINE take on a more geometric vibe, ZOOM has a gentler, calming character and FRESCO is that super non directional texture that mixes effortlessly.

All the colourways are vivacious and vibrant adding modernism and fun into a youthful atmosphere.

Soapless detergent to be used on all of the above base cloths. No fabric conditioners/softeners or freshener sprays to be used as this can adversely affect FR properties. A tolerance of +/- 3% should be allowed for on pattern repeats as it can vary from quality to quality. Shade variations may occur batch to batch but we will endeavour to maintain good colour continuity. Please inspect all goods before cutting as no claims can be accepted or exchanges made once the material has been cut. For detailed instructions please request a specification sheet.
