

LOUVOLITE

ADD ADVENTURE TO EVERY JOURNEY

Bring magic, exploration and adventure into your home with these exclusive window blind designs only from Louvolite.

Baby's first room turns into a race track, galaxy, or princess castle. Louvolite with The Walt Disney Company have launched 12 initial designs that bring fantasy to the dreamers or action to the adventurers. No matter the age there's a design for every step of their way, even for the big kid in you!

These window blinds, with their fantastic blackout properties, are great in bedrooms, family rooms and playrooms too! Bringing a touch of magic to every corner of your home.

BE PART OF THE STORY

Disney, Star Wars™ and Marvel bring many incredible movies and compelling characters to our lives each year, so we're thrilled to help bring them to life and into your home with Louvolite window blinds.

As new films are released, new designs will also be released so that film fans can quickly and easily update their window blind with exciting looks from the movie of the moment.

With an ever expanding archive of designs featuring classic, loved characters like Mickey Mouse to brand new Super Heroes, there's sure to be a Disney, Star Wars™ or Marvel blind for everyone.

FLAME RETARDANT

Ideal in niche commercial sectors like schools, nurseries, health sectors and libraries, these FR prints bring fantasy to life, allowing the children passing through these facilities to create, imagine, have fun or help them feel brave.
