# MOTORISED WINDOW BLINDS

## FOR ROLLER, ROMAN AND VISION BLINDS

An **innovative** new range of battery operated and mains powered window blinds that showcase numerous **benefits** for you.

### KEY BENEFITS

- Innovative yet affordable contemporary technology
- Child safe as operating cords and chains are no longer necessary
- Simple, convenient and easy to use
- Operated by either a unique wand that hangs neatly next to the blind, or a remote control that can be used anywhere in the room
- Easy installation of battery operated solutions removes the need for mains wiring
- Streamlined design for enhanced aesthetics
- Mains powered systems available for large installations
