

VELUX BLIND collection

Bring some innovation & inspiration to your home

For over 75 years, VELUX® has led the way in designing innovative roof windows, developing an outstanding, market-leading product range that has helped fill millions of homes with more daylight and fresh air. Which means that when it comes to your next project, you can perfectly tailor your roof windows to suit your home and your family's needs.

Enjoy more control over the amount of daylight, temperature and privacy in your home with the extensive range of VELUX blinds.

How to select your blinds

1. Select type

Choose a VELUX blind that meets your requirements in terms of heat protection, blackout, light adjustment or insect protection.

2. Select colour and design

VELUX blinds are available in an array of exciting colours and designs.

3. Select operation method

Choose between manual or automatic operation. Always consider electrically-operated products for out-of-reach situations.

4. Select the right size

Check the data plate which details the type and size of your roof window.

5. Installed in minutes

VELUX interior blinds are easily installed with their Pick&Click!™ system.

Sizing chart

All sizes must be ordered using the same code shown on the roof window data plate.

Venetian & Pleated

Venetian Blinds

The VELUX venetian blind gives you complete control of the light and is the ideal solution for rooms where you want to adjust the amount and direction of incoming light. As the blinds are made of aluminium they are also very easy to wipe clean and an ideal solution for rooms with high levels of humidity, such as kitchens and bathrooms.

- Control the amount and direction of incoming light and shadows
- Unique tilt mechanism and cordless operation
- Available in 9 colours

Flying Pleated Blinds

The VELUX pleated blind provides an excellent way to control the daylight in your room and allows you to create colourful and original light effects that can complement your personal choice of furniture and décor. It can be positioned anywhere on the window. This makes the blind ideal for installing in living rooms or dining areas.

- Softens incoming light
- Beautiful decoration for living rooms
- Dual control bars allow you to adjust the blind from both the top and bottom of the window
- Available in electric operation

Roman & Roller

Roman Blinds

Create a soft and warm atmosphere with the new decorative VELUX roman blinds. Explore the potential of beautiful fabrics and be inspired by the soft styling effects that make this collection refined and original.

- Choose from 20 elegant and decorative colours
- Interchangeable fabrics
- Fabric can be removed easily for easy cleaning

Roller Blinds

The VELUX roller blind provides basic privacy whilst still allowing natural light in. A VELUX roller blind is an effective and practical solution that offers protection and looks good. Roller blinds are therefore well suited for living rooms, home offices, playrooms, and rooms where you want basic privacy and the ability to diffuse the light.

- Provides basic privacy
- Softens the incoming light
- Available in solar powered and electric operation
