integrated blinds

A photograph of a window in a bedroom. The window is partially covered by white curtains on the left and a wooden blind on the right. The blind is made of horizontal slats and is partially open, showing a view of a green landscape outside. In the foreground, the top of a bed with a grey and white patterned coverlet is visible.

# Beautifully integrated blinds

## Sleek & innovative design.

Your home is a reflection of you. We know you want to dress your windows with style whilst gaining maximum shading from the sun, as well as maintain the ability to open and close your windows. Our INTU blinds are the most innovative and flexible blind system in the market.

INTU Blinds complement your windows in both design and function, making them the intelligent choice for today's homes.

# Flexible solutions

The variety of options that INTU blinds offer means you can find the best solution for your window. Whether you need a specific blind for your bi-fold doors, or perhaps a multi-zone blind, which can be positioned to provide privacy and height control, INTU blinds have it all.

For rooms where additional features may be required, reflective, blackout or even fire retardant fabrics can be chosen to suit specific performance requirements. Don't forget about Venetian slats which give optimum light and privacy control.

# Flawless finishes

INTU blinds have a stylish, curved fascia giving a sleek, modern appearance.

The streamlined bottomrail completes the blind with style and elegance.

CHILD SAFE  
PRODUCT

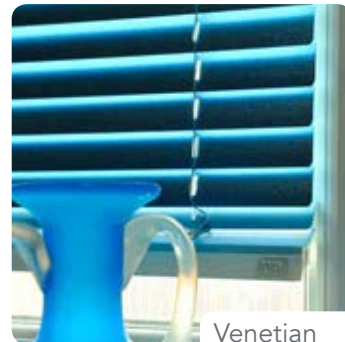

## For safety & style.

Young children can be in danger of strangulation from the loops of pull, chain and bead cords. The INTU range is completely child safe by design to fully address concerns over safety.

The INTU system's neat and simple control options eliminate unnecessary free-hanging cord loops, creating one of the safest blinds you can buy. Make sure you have peace of mind.

A photograph of a woman with blonde hair, wearing a white button-down shirt and white pants, kneeling on a light-colored wooden floor. She is smiling and looking towards a toddler who is standing and looking out a window. The toddler is wearing a white and blue striped onesie. The window has white horizontal blinds. The scene is brightly lit, suggesting a sunny day. The overall mood is warm and safe.
