

MISSION AND VISION

Beyond Broth's mission is provide daily nourishment for your body and better overall wellness. We do that by creating healthy, organic, flavorful broths that you can enjoy anytime, anywhere. It's simple, convenient, go-anywhere deliciousness. Our Beyond Broth brand was created to fit perfectly into your daily wellness ritual. We believe everyone deserves to be well-nourished every day.

OVERVIEW

Beyond Broth offers nutritious, instant vegan broths that provide a healthy, functional solution for daily overall wellness. No matter how busy you are, you don't have to sacrifice good health along the way.

Made from sustainable, 100 percent organic vegetables and herbs, Beyond Broth supports your vitality and well-being with a dose of healthy nutrients. With its convenient single-serving packets, Beyond Broth fits into any lifestyle for on-the-go nourishment. In just two minutes, you have a nutritious, flavorful broth that can be enjoyed anytime or anywhere. Toss a few single-serving packets into your purse, briefcase or backpack next time you head off to work, school, camping, hiking or wherever life may take you.

PRODUCTS

- Our broth is served in convenient single-serving packets for \$2.49 or sleeves of 18 for \$39.99. Three or nine packs are also available online, and you can choose among three varieties.
- Immune – strengthens the immune system with the addition of turmeric, reishi and cumin.
- Vitality – kicks you in the pants and provides a natural burst of energy through stamina-inducing rosemary, thyme and cayenne pepper.
- Yummy Tummy – settles the tummy and supports digestive health with ginger, basil and parsley.

AVAILABILITY: Beyond Broth is available through our [website](#), [select retailers](#) and [Amazon](#).
