Oxford Royale on campus at
THE UNIVERSITY OF CAMBRIDGE

OXFORD  ROYALE®

SUMMER SCHOOLS 2024

Discover Cambridge

The city of Cambridge grew around the university that had been established there in the 13th century. From its very beginnings, the city has been known as an outstanding place of research and learning. Today it is also home to Europe's largest cluster of high technology businesses. With its historic colleges, beautiful gardens and picturesque river, Cambridge attracts students and visitors from across the globe.

Students who come to Cambridge with ORA are following in the footsteps of the great and famous, including politicians, scientists, writers and business leaders.

Factfile

- 14 British Prime Ministers have studied at the University of Cambridge
- Affiliates of the University of Cambridge have received more Nobel Prizes than those of any other institution
- Cambridge can claim to be the birthplace of "the beautiful game" as the first football game was played there
- Prince William and Catherine, Princess of Wales, were previously known as the Duke and Duchess of Cambridge and say they have "immense pride at being associated with Cambridge".
- The discovery of the structure of DNA was announced in a Cambridge pub

Where You'll Stay

Oxford Royale students reside and study on campus at the colleges of the University of Cambridge, soaking up the history and culture of the place where the very key of life was discovered.

Our students benefit from the true Cambridge undergraduate experience, absorbing life in the teaching rooms, dining halls, gardens and quadrangles of their college home. As they share dreams and aspirations, our students are inspired for their future education and career choices, and make memories to cherish for the rest of their life.

Oxford Royale works with the following historic colleges of Cambridge university:

Clare College

Founded in 1326, Clare College is the second oldest Cambridge college, with beautiful grounds on the Cam river. Archbishop Rowan Williams and naturalist Sir David Attenborough were educated at Clare.

St Catharine's College

A medieval college with a famous open courtyard, 'Catz' has produced many actors such as Sir Ian McKellen, Rebecca Hall, Ben Miller and Richard Ayode, as well as journalist Jeremy Paxman.

The Magic of Cambridge

Cambridge offers an exciting experience for our students, who can quickly immerse themselves in its history and culture.

Visit other colleges of the University of Cambridge, of which there are 31 altogether. See the stunning gothic chapel of King's College, the famous Bridge of Sighs across the River Cam at St John's College, and Henry VIII's statue at Trinity College.

Whilst in Cambridge, wander amongst a beautiful selection of over 8,000 plant species at the Cambridge University Botanic Garden.

Don't miss a visit to the Fitzwilliam Museum, housing over half a million historical artefacts from all around the world. Students will also be able to immerse themselves in the legacy of renowned scientists such as Isaac Newton, Charles Darwin and Stephen Hawking at the Sedgwick Museum of Earth Sciences and the Whipple Museum of the History of Science.

A City for Everybody

Discover the modern and vibrant side of Cambridge during your course with us at Oxford Royale.

Students will have access to Cambridge's excellent markets, ranging from the historic Market Square to the modern Grafton Centre. Cuisine from all over the world is available in the cafes and restaurants around Cambridge. Students will also be able to visit many souvenir shops and book shops in the city, as well as entertainment such as the jazz café Hot Numbers and the Cambridge Arts Theatre.

Whilst in Cambridge, students will have the opportunity to relax and enjoy an ice cream in the beautiful green spaces along the river Cam, known as 'the Backs', or punt along it in true Cambridge fashion.

The Experience

Unique Learning Model

Our teaching brings out the very best in every individual by expanding on what they already know and broadening their understanding. Our outstanding faculty develop and run career focused courses to help drive students towards ambitious goals, motivating them to achieve their greatest potential.

Students have the chance to escape the boundaries of traditional education through collaborative learning, interactive projects and practical activities such as making robots, live debates, building a business plan or taking part in a mock trial.

The cultural enrichment and social activities offered aim to help students build lasting friendships and discover their chosen location through guided tours, exciting excursions and so much more, including the grand finale of the Oxford Royale experience: the graduation ceremony.

Join a Global Community

We believe that global awareness, varied cultural experiences and broad international networks are key to carving a truly strong and successful path in a highly competitive world. Oxford Royale's summer schools offer exactly this.

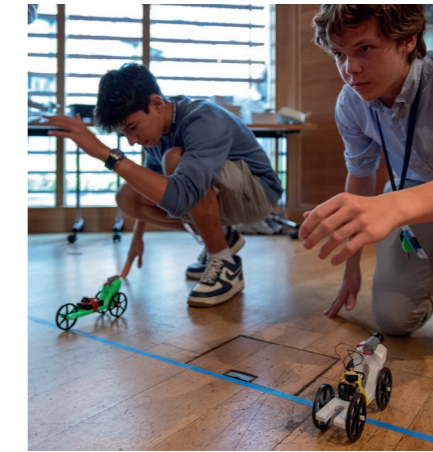

Many young people are capable of exceptional academic, personal and commercial success, but they are simply not aware of opportunities available to them. By offering a taste of quality higher education, multi-cultural experiences and innovative subject matter, we can help them to identify their strengths, passions and ambitions.

Our aim is for all students to have a life-changing experience full of fun!

Workshops

Hands-on classes designed to help students learn through practical application.

Masterclasses

An interactive forum with an expert in the field, giving students valuable insights into related and new topics.

Guest Speakers

Successful and famous guest speakers offer students the chance to pose their most important questions.

Debates

Essential for honing students' reasoning abilities and public speaking skills.

How You'll Learn

Interactive Lectures

Dynamic lectures given by passionate teachers packed with facts and viewpoints to engage the audience.

Group Projects

An opportunity to work closely with, and learn from, different perspectives.

Seminars

Working in pairs and small groups, students have plenty of opportunity for discussion and debate.

Educational Trips

Our trips provide real examples of the course subject in action, and bring students' learning to life for them.

Courses for 13 to 15 Year Olds

At an Oxford Royale summer school for 13 to 15 year olds, bright young individuals embark on a remarkable transformative journey of cultural exchange, academic enrichment and personal growth. Often travelling abroad on their own for the first time, our youngest participants grow in confidence and establish their independence in an international environment. To maximise this unique opportunity for growth, they are supported all the way by our academic and pastoral staff.

For further detail on our courses, visit www.oxford-royale.com/courses

Explore Business, Innovation & Entrepreneurship

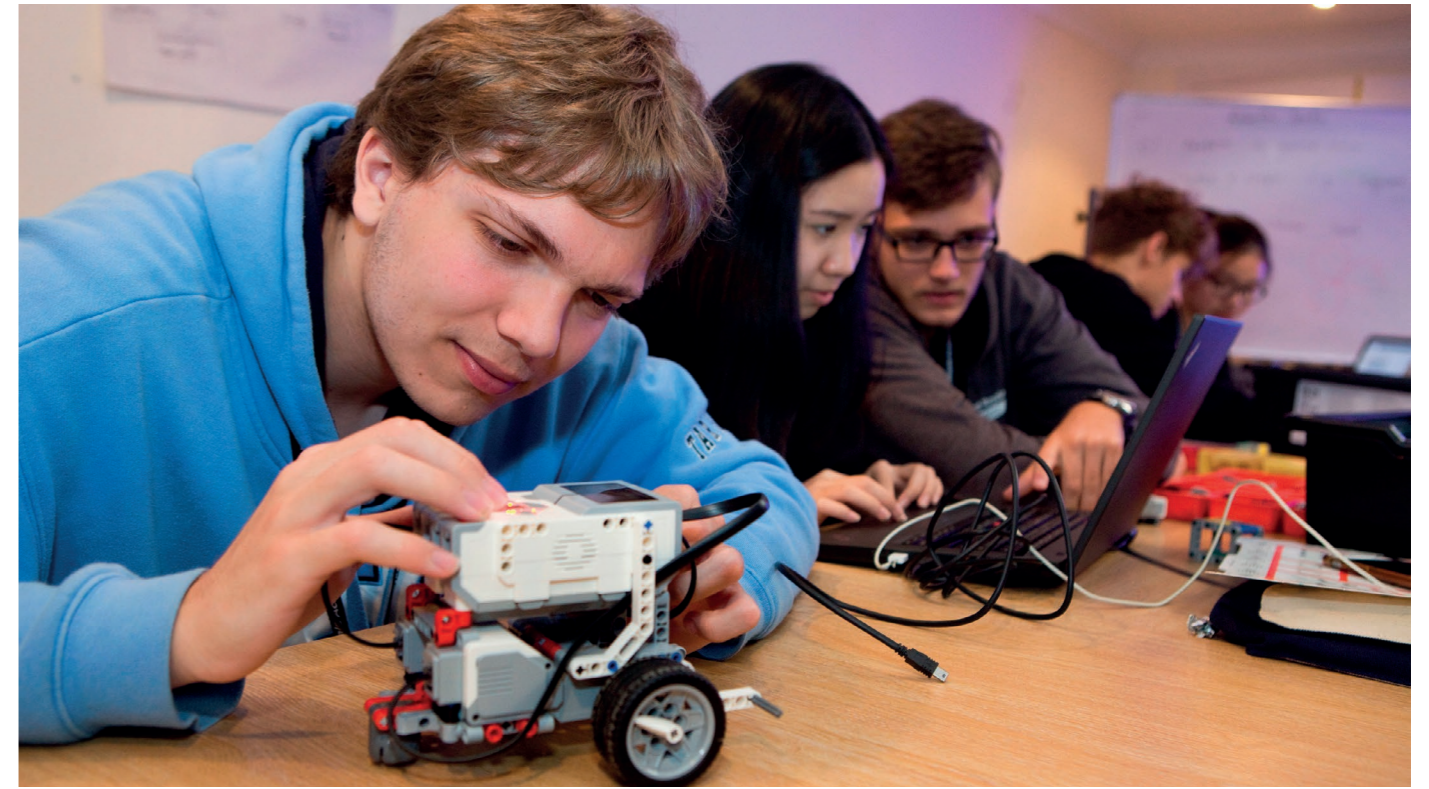

Leap into the exciting world of business, finance and marketing. This course equips students with the skills to launch and manage their own business, helping them to develop the mindset to become ground-breaking entrepreneurs. Students are immersed in compelling case studies and engage with real business entrepreneurs who are taking new business ideas to success.

Explore Medicine

Expand your understanding of medicine through practical, hands-on medical simulations and a broad introduction to the basics of human anatomy, physiology and psychology. Investigate the common practices of medicine and biomedical research, and explore the critical competencies needed to become a successful doctor, nurse or psychologist.

Explore Engineering & Technology

Investigate the fields of Civil, Mechanical, Biomedical, and Aerospace engineering in a comprehensive introduction to engineering and survey of emerging technical applications, from self-driving vehicles to space travel. Learn to think like an engineer and strengthen critical thinking, problem solving and creativity skills.

Courses for 16 to 18 Year Olds

Planning for a successful future becomes a top priority for students aged between 16 and 18. This crucial period marks a time when students contemplate which university they might choose and which field of study to pursue. Many of them are also looking further ahead to consider potential career paths. Oxford Royale's summer schools offer an unparalleled opportunity for ambitious individuals to decide on the next steps toward a bright future.

For further detail on our courses, visit www.oxford-royale.com/courses

Curing the Future: Medicine & Disease

Explore the fields of biology, genetics, neuroscience, genomics, emergency medicine and human anatomy. Investigate the common practices of medicine and biomedical research, and gain practical insight into a career as a surgeon, doctor, nurse or health professional.

Law & Politics

Examine the interconnection of law and politics, and take the first step towards a legal career. Focusing on emerging issues in these fields, the programme fosters discussion and debate through legal case studies on a broad range of issues ranging from human rights to globalisation.

Designing Tomorrow: Engineering & Technology

Investigate a range of engineering disciplines and the technologies that are shaping the future. Providing a broad foundation to engineering, and an overview of the intersection of engineering and technology, this course will inspire students to take on the future's grand challenges.

Inventing the Future: Business, Innovation & Entrepreneurship

Sharpen creative thinking, business modelling, presentation and leadership skills by researching, designing and marketing new business ideas. This immersive programme will enable students to develop their entrepreneurial mindset into a successful business.

Architecture & Design

Bring your ideas to life as you apply the core principles of architecture, including planning, design and spatial mapping. Produce a range of architectural drawings and collaborate in teams to propose and present solutions for the urban city of 2050.

Applying for a Place

How to apply

The quickest and easiest way to enrol on one of our award-winning summer schools is via our secure booking system, available at apply.oxford-royale.com

Our online application form takes a few moments to complete and requires the name and details of the student enrolling as well as those of the person paying the fees. All applications require selection of subject, location and dates.

We require payment of the relevant deposit at the time of booking. A credit or debit card payment is preferred, but other options are available on request.

If there is space on the chosen course, the place will be confirmed immediately by SMS and email on receipt of the deposit payment.

Login details for the Oxford Royale Portal are also sent on receipt of the deposit. The Portal is where our students manage their booking, and find all the information they'll need for their course.

Our Admissions Advisors are available for enquiries and questions via email admin@oxford-royale.co.uk or by phone on **+44 (0) 1865 954 800**.

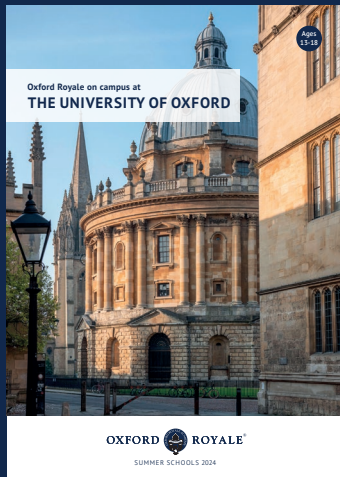

Early booking is advised to ensure availability on the course and venue of choice.

“Definitely do it! Do a course you’re passionate about. You get so involved, it’s like you’re doing that career. I’m so much more prepared for university and the future.”
