**THE UNIVERSITY OF OXFORD**

OXFORD  ROYALE

SUMMER SCHOOLS 2023

# The Magic of Oxford

The magic of Oxford is found in the rich blend of its history and its reputation as a vibrant, modern city.

The world-famous University, which dates back to 1096, has an outstanding academic record in a wide range of fields and disciplines. Its facilities include historic colleges and state-of-the-art research buildings, beautiful gardens and lively social venues. Culturally diverse, Oxford is cosmopolitan and welcoming for students and visitors from across the globe.

In coming to Oxford with Oxford Royale, our students follow in the footsteps of the great and famous, including politicians, writers, scientists, business leaders and media moguls.

Wisdom and innovation course through Oxford's veins; it's the perfect place for young people to broaden their knowledge and expand their horizons.

## Factfile

- 28 British Prime Ministers and 120 Olympic medal winners studied here
- The Ashmolean Museum is the oldest museum in England
- The Grand Café was the first ever coffeehouse in England
- The Bodleian Library holds a copy of every book ever published in Britain
- Famous alumni include Boris Johnson, J.R.R. Tolkien, and actors Rosamund Pike and Felicity Jones
- The university was ranked #1 in the world by The Times in 2022

## The Oxford Experience

Oxford Royale students reside and study within the colleges of the University of Oxford, immersed in a world where illustrious and record-breaking careers begin.

This invaluable opportunity to live life as an Oxford undergraduate, absorbing the rich culture of the university in the lecture theatres, dining halls, libraries and gardens of a college, provides a unique experience for our students.

Dreams and ambitions are shared with like-minded peers as students enjoy the community and culture of the city of dreaming spires. It's undoubtedly the right place to find inspiration for future education and career choices, and make memories to cherish.

## Oxford, a City for Everybody

The city offers a mix of cosmopolitan buzz, alongside centuries of history and rich culture.

Other colleges of the University of Oxford (there are 39 altogether!) such as Christ Church, made famous by Alice in Wonderland and Harry Potter, are open for visitors. The city is full of iconic buildings – the picturesque Bridge of Sighs joining the two halves of Hertford College, the Radcliffe Camera (part of the huge Bodleian library), and the Sheldonian Theatre, where university students graduate before venturing out into the world.

Everybody loves taking a punt out for the classic Oxford boating experience, climbing Carfax Tower for the best views and finishing the day with an ice cream or milkshake at one of many relaxed and friendly cafés.

# The Experience

## Realising True Potential

Our unparalleled educational model is all about partnership. Every student has unique skills, strengths and dreams, and our role is to mentor and guide our students, to introduce and explore new concepts, to inspire them and help them realise their true potential.

Many young people are capable of exceptional academic, personal and commercial success, but they are simply not aware of opportunities available to them. By offering a taste of quality higher education, multi-cultural experiences and innovative subject matter, we can help them to identify their strengths, passions and ambitions.

## The Very Best Teaching

Our teaching brings out the very best in every individual through small class sizes, an emphasis on interaction, and one-to-one mentoring. All courses include workshops, seminars, discussion groups, practical work and lively debates. Our outstanding, talented faculty develop and run future-focussed courses to help drive students towards ambitious goals, motivating them to achieve more than they ever believed possible.

At Oxford Royale, students stretch the boundaries of traditional education by trying innovative activities such as making robots, live debates, shooting and editing a film, and exploring modern research techniques in a medical laboratory.

Many of our alumni have continued their studies at some of the top universities in the UK and the US, such as Oxford, Cambridge, Princeton and Berkeley, and have gone on to great careers and to make tremendous contributions to industry and research.

## Join a Global Community

We believe that global awareness, varied cultural experiences and broad international networks are key to carving a truly strong and successful path in a highly competitive world. Oxford Royale's summer schools offer exactly this.

The Oxford Royale experience gives students the opportunity to connect with and befriend like-minded peers from around the world. The cultural enrichment activities, social events and excursions that we offer outside the classroom timetable include treasure hunts, city tours, trips to other UK landmarks, sporting activities and, of course, the grand finale of each course, the graduation ceremony.

Our aim is for all students to have a life-changing experience full of fun!

# A Typical Day of Learning and Discovery

9am

Morning class begins with an inspirational lesson from a member of our exceptional faculty. Students have the opportunity to get one-to-one support from teaching staff throughout their time with us to aid their academic growth.

10:30am

The second lesson of the day aims to motivate students with a lecture exploring key themes and issues, from a faculty member or a visiting industry expert.

12:30pm

Enjoy a leisurely lunch with friends or take a walk around campus in the sunshine. Older students can venture into the city to explore cafes and unique eateries.

1:30pm

Back to the classroom for a masterclass or practical lesson. Students can get hands on in their field of study, through dissections, building a robot, or editing a day of filming, for example. There is also the opportunity to develop job interview skills and a CV workshop.

3pm

Time to get out and see the sights! Trips and excursions provide ample opportunity to get to know the beautiful city of Oxford. It might be a guided tour of one of the fascinating museums, a visit to the dining hall at Christ Church (otherwise known as Harry Potter's dining hall at Hogwarts!) or learning how to punt on the River Cherwell.

6pm

Dinner in the college dining hall with friends and faculty provides an opportunity to learn about more Oxford traditions and customs, such as High Table and dining "below the salt".

7pm

Students can enjoy evening activities on and off campus. They can test their knowledge in an Oxford Quiz challenge, get competitive with a games night, or hear all about Oxford's spooks on a Ghost Tour. After an evening of excitement, it's time for students to start winding down for the evening, ready for the next day with Oxford Royale!

# Courses at Oxford

For further detail on our courses, visit [www.oxford-royale.com/courses](http://www.oxford-royale.com/courses)

Oxford Summer School (Ages 13-15)	2nd July	16th July	30th July

“I had a splendid time in Oxford! The teachers were excellent and I learned so much on the course. I got friends from all around the world. The whole experience gave me an understanding of how it is to study at Oxford university.”

Louise, Denmark

# Applying for a Place

## How to apply

The quickest and easiest way to enrol on one of our award-winning summer schools is via our secure booking system, available at [apply.oxford-royale.com](http://apply.oxford-royale.com)

Our online application form takes a few moments to complete and requires the name and details of the student enrolling as well as those of the person paying the fees. All applications require selection of subject, location and dates.

We require payment of the relevant deposit at the time of booking. A credit or debit card payment is preferred, but other options are available on request.

If there is space on the chosen course, the place will be confirmed immediately by SMS and email on receipt of the deposit payment.

Login details for the Oxford Royale Portal are also sent on receipt of the deposit. The Portal is where our students manage their booking, and find all the information they'll need for their course.

Our Admissions Advisors are available for enquiries and questions via email [admin@oxford-royale.co.uk](mailto:admin@oxford-royale.co.uk) or by phone on **+44 (0) 1865 954 800**.

Early booking is advised to ensure availability on the course and venue of choice.

“My daughter came back fully energized, she made new connections with people from around the world and gained a whole lot of self-confidence. It helped her to feel comfortable with the subject and assured her to go for studying law when finishing school. An unforgettable experience, worth every cent!”

Alexander, Germany

“I decided to return because I fell in love with Oxford, the gardens, the old buildings, the good books...”

Mifta, Indonesia
