The Berkeley Experience

Oxford Royale students reside and study within one of UC Berkeley's incredible campuses, surrounded by reminders of the many famous alumni who have studied here.

This is an invaluable opportunity to live life as a UC Berkeley undergraduate, in an institution dedicated to sharing knowledge, expanding young minds, inspiring social change and training the world's next generation of leaders.

Centre of Innovation

As our students learn to unleash their academic potential and discover new passions, they are inspired to aim high and reach for the clouds. UC Berkeley is the perfect place to experience unforgettable moments with new friends from across the globe.

UC Berkeley's rich history and vibrant campus offers the perfect setting for Oxford Royale's immersive educational experience. With its stunning natural surroundings and proximity to the dynamic San Francisco Bay Area, UC Berkeley provides the perfect backdrop for holistic personal and academic development.

Explore the History

Oxford Royale students will have the chance to soak up the historic academic atmosphere on campus at this prestigious US university, and be inspired by California's reputation for innovation.

Founded in 1868, the University of California, Berkeley is known as the world's best public university. It is especially known for its scientific research and its sporting excellence, having produced 107 Nobel Laureates and 223 Olympic medalists. Oxford Royale students will have the chance to explore this famous campus, and climb up the spectacular Campanile, also known as Sather Tower, one of the tallest clock towers in the world.

Famous alumni of Berkeley include Apple co-founder Steve Wozniak, actors Chris Pine and Gregory Peck and sports stars such as Aaron Rodgers and Marshawn Lynch. The University has been at the centre of many critical moments of US history, including during the Second World War, when Berkeley was at the cutting edge of nuclear research, as seen in the 2023 biopic *Oppenheimer*.

A Taste of US Culture

San Francisco is a beautiful and eccentric city on the West Coast of the United States, immersed in history and filled with fascinating culture.

UC Berkeley is neighbours with San Francisco, an area vibrant with entertainment and culture. Join Oxford Royale and experience inspirational locations: view the Golden Gate Bridge from across the Bay, try mouth watering food at funky restaurants and cafes, ride the iconic cable cars and relax in serene natural surroundings.

With over 50 museums on offer, there will always be something spectacular to see. From the mysterious history of Alcatraz Island, to the 'Crookedest Street in the World', there's an opportunity for surprise and amazement around every corner.

The Experience

Unique Learning Model

Our teaching brings out the very best in every individual by expanding on what they already know and broadening their understanding. Our outstanding faculty develop and run career focused courses to help drive students towards ambitious goals, motivating them to achieve their greatest potential.

Students have the chance to escape the boundaries of traditional education through collaborative learning, interactive projects and practical activities such as making robots, live debates, building a business plan or taking part in a mock trial.

The cultural enrichment and social activities offered aim to help students build lasting friendships and discover their chosen location through guided tours, exciting excursions and so much more, including the grand finale of the Oxford Royale experience: the graduation ceremony.

Join a Global Community

We believe that global awareness, varied cultural experiences and broad international networks are key to carving a truly strong and successful path in a highly competitive world. Oxford Royale's summer schools offer exactly this.

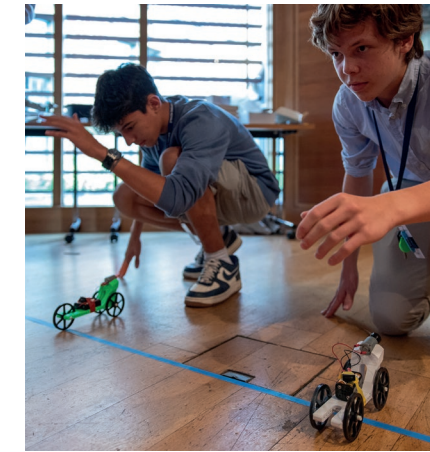

Many young people are capable of exceptional academic, personal and commercial success, but they are simply not aware of opportunities available to them. By offering a taste of quality higher education, multi-cultural experiences and innovative subject matter, we can help them to identify their strengths, passions and ambitions.

Our aim is for all students to have a life-changing experience full of fun!
