Pet Nat McLaren Vale 2021

At Gemtree we farm our estate vineyards organically and biodynamically. This philosophy rewards us with fruit full of flavour and purity; these are the gems from which we craft our fine wines.

Small Batch Pet Nat

The Grenache for our Petillant Naturele (Pet Nat for short) was hand-picked. This fruit was tipped into the press where only the most delicate free-run juice was retained, the wine was left to settle for 24 hours with no additions. The still cloudy juice was racked off of the solids and into old wooden casks for fermentation. The juice was kept below 14C to ensure the natural fermentation locked in the fresh, vibrant fruit characters. Once fermentation was almost complete we gravity fed the juice into bottles, where the final few grams of sugar were fermented creating the natural effervescence. Only 4500 bottles were made.

Tasting Note

The nose is reminiscent of a fresh ferment and the taste of grapes fresh from the vine with scents of strawberry, lychee and rose petal. This wine is a very natural and cloudy example of pure Grenache from McLaren Vale. The palate is lively and the strawberry fruit carries through as fruity, zesty and crisp.

Varietals—100% Grenache
Alcohol/Volume—13.0%
pH—3.18
Titratable Acid—4.83g/L
Residual Sugar—1.2g/L

Drink on its own or pair with a prawn cocktail starter or a hazelnut torte dessert. Best served chilled. This wine is an ideal Christmas starter.
