Cinnabar

Grenache Shiraz Mataro

McLaren Vale

2022

At Gemtree we farm our estate vineyards organically and biodynamically. This philosophy rewards us with fruit full of flavour and purity; these are the gems from which we craft our fine wines.

Cinnabar Grenache, Shiraz, Mataro

GSM is a blend we love to make and drink in McLaren Vale. It's a delicious, versatile wine that can be enjoyed with many food styles or simply on its own amongst good conversation. Our Cinnabar GSM is blended seamlessly, a bright and lively wine bursting with delicious cherry and plum flavours. On a warm afternoon or evening, try chilling in the fridge for an hour or so before drinking.

Tasting note

Being a blend of three varieties, our GSM has lovely and varied aromas and flavours to delve into. Notes of dark olive, plum, red spice and hints of rosemary fill the glass. The wine is delightfully vibrant with flavours of cherry, plum and dried herb. Cinnabar is a beautifully balanced, medium bodied wine with elegant structure and chalky tannins.

Varietal—60% Grenache, 34% Shiraz, 6% Mataro
Alcohol/Volume—14%
pH—3.46
Titratable Acid—6.1g/L
Residual Sugar—2.1g/L
Oak—9 months in seasoned 400L & 500L French oak puncheons.

Pair with smoked Texas-style pork ribs, or a vegetable korma.

Drink now — 2026.
