# Small Batch Grenache SBE McLaren Vale 2022

At Gemtree we farm our estate vineyards organically and biodynamically. This philosophy rewards us with fruit full of flavour and purity; these are the gems from which we craft our fine wines.

## Grenache

These handmade, small batch wines are an expression of the joy and curiosity of winemaking, free from convention, free from restraints. Experimental batches made from small parcels of organic and biodynamic fruit.

We only made 4719 bottles of 2022 Grenache SBE (concrete egg maturation) with fruit sourced from organically and biodynamically grown Grenache bush vines.

## Tasting Note

This rare Grenache has lovely aromas of musk and boiled lollies, with a hint of earthiness and dried herb. Balanced, elegant, and textural, 2022 Grenache SBE presents the complete package. Where Grenache SBO (oak barrel maturation) is upfront and bold, Grenache SBE shows restraint and focus, with a textural weight that defines its identity.

Varietal—100% Grenache  
Alcohol/Volume—14%  
pH—3.19  
Titratable Acid—6.59g/L  
Residual Sugar—1.6/L  
Concrete Egg — 10 months

Try SBE slightly chilled with robust flavoured seafood dishes such as a traditional Spanish paella or a French inspired seared salmon fillet with a simple beurre blanc sauce.

Cellar now — 2028.
