Small Batch Grenache SBO McLaren Vale 2022

At Gemtree we farm our estate vineyards organically and biodynamically. This philosophy rewards us with fruit full of flavour and purity; these are the gems from which we craft our fine wines.

Grenache

These handmade, small batch wines are an expression of the joy and curiosity of winemaking, free from convention, free from restraints. Experimental batches made from small parcels of organic and biodynamic fruit.

We only made 5328 bottles of 2022 Grenache SBO (oak barrel maturation) with fruit sourced from organically and biodynamically grown Grenache bush vines.

Tasting Note

This rare Grenache has a beautiful perfume lift of wild boysenberry, rhubarb and pomegranate. On the palate, Grenache SBO is bursting with vibrant berry flavours of red cherry and raspberry. Deliciously creamy and focused with soft plush fruit that entwines the purity of Grenache.
