Luna de Fresa Tempranillo Grenache Mataro Rosé McLaren Vale

At Gemtree we farm our estate vineyards organically and biodynamically. This philosophy rewards us with fruit full of flavour and purity; these are the gems from which we craft our fine wines.

Luna de Fresa Tempranillo Grenache Mataro Rosé

When the grapes taste this good in the vineyard, we take a very simple approach to winemaking. The grapes are lightly pressed using the free run juice only. Luna de Fresa is everything we love about Rosé; dry, fresh and mouth-watering!

Tasting note

This Rosé has delicate aromas of strawberries and cream, musk and rose petal. Luna de Fresa is light and clean on the palate, expressing characters of boiled lollies, rhubarb and pomegranate. With beautifully balanced acidity, this Rosé lingers on the palate elevating the mouthfeel and richness of the wine. Best served chilled.

Varietal—57% Tempranillo, 31% Grenache
12% Mataro
Alcohol/Volume—13%
pH—3.3
Titratable Acid—5.52g/L
Residual Sugar—<1.2g/L

Try Luna de Fresa with a grilled salmon and a Mediterranean salad of mixed greens, cherry tomatoes, feta cheese, and olives.
