# Small Batch Fiano McLaren Vale 2023

At Gemtree we farm our estate vineyards organically and biodynamically. This philosophy rewards us with fruit full of flavour and purity; these are the gems from which we craft our fine wines.

## Small Batch Fiano

These handmade, Small Batch wines are an expression of the joy and curiosity of winemaking, free from convention, free from restraints. Experimental batches made from small parcels of organic and biodynamic fruit.

The Small Batch Fiano is an exploration in winemaking, refined and complex, this a wine to enjoy and contemplate.

Production - 290 dozen

## Tasting Note

This Small Batch Fiano wine instantly opens up with lifted and fragrant aromas of honeysuckle, jasmine and pear. The pear character continues through to the palate along with hints of lemon curd and honey. The concrete egg fermentation, barrel maturation and lees stirring adds further intrigue and complexity to the wine. It is rich, textural, and full of flavour.

Varietal—100% Fiano  
Alcohol/Volume—13%  
pH—3.2  
Titratable Acid—5.3g/L  
Residual Sugar—1.8g/L  
100% Malolactic fermentation  
Maturation — Fermented in concrete egg for 1 month; gently, constantly stirring the yeast lees then transferred to French barriques including 17% in new French Oak Puncheon for 6 months with manual lees stirring.

Try with a Vietnamese style vermicelli noodle salad topped with crisp roasted pork belly or tofu.

Drink now - 2026
