

Chic And Green Décor

Revamp your home with accessories that blend aesthetics and earthy charm. It's the perfect way to create a sanctuary packed with the bounties of Mother Earth.

Sinu Floor Lamp By Orange Tree

The exquisite woven design of this piece, built from mild steel and raffia, lets light pirouette through cotton strands, creating an interesting play of patterns and shadows in any kind of space. Watch as this unique fusion of planet-friendly material and contemporary design transforms your abode into a haven of delight. ₹11,099; orangetree.in.

Bread Basket Large By The Table Company

Discover classic elegance with this piece that's dyed with AZO-free colours and finished with a wooden handle. As a handcrafted, natural fibre bread carrier, it's non-plastic and food-safe, and perfect for bringing organic sophistication to your eco-aware home. ₹1,499; thetablecompany.in

Good Food Bamboo Dinnerware - Veggies By Mi Arcus

Sprinkle a dash of fun on mealtime for your little ones with this eco-friendly crockery set. Chemical-free and adorned with veggie prints, it includes a plate, glass, spoon, fork, and bowl. Odour-resistant, stain-proof, and dishwasher-safe—this set makes cleaning super easy so you're ready for the next meal in no time. ₹599; miarcus.com

Organic Berry Snuggly Blanket By Upcycle Luxe

Wrap your bundle of joy in this charming cover-up that boasts a timeless cable knit design. Or use it as a comfy throw for older kids. Made with natural, non-toxic colours, it's the perfect guilt-free essential for every step of their playful journey! ₹3,500; upcycleluxe.com
