

IONIC  
RESCUE

The Nitro XT is a high quality water safety helmet that has a high impact injection moulded ABS outer shell with a soft EVA foam liner which together, offers a helmet that provides excellent comfort, insulation and essential impact protection. The entire interface design provides excellent all round protection including side impact that incorporates a cut out vent, so it drains easily and does not restrict hearing. The Nitro XT comes fitted with an internal cradle system complete with ratchet adjustment to ensure the helmet fits snug around the head.

It is available in 4 sizes, Small, Medium, Large and X-Large which covers most head sizes.
