  to power-on

• Open the Fere Fit App on your mobile phone and fills your personal
  details on the App

• **Search for Max on the app**
  (Make sure Bluetooth on your phone is switched on)

• Click on **Max** to connect and pair successfully.

• **Turn your smart watch on/off
 by long pressing the power button
  for 3-5 seconds**

Please charge your smart watch first before using it for the first time
**Use the magnetic charger provided in the box**
**Use genuine URBAN 2-pin magnetic charger only**

• Use only 5V/2A Adapter for charging purpose.

## How to sync with Fere Fit App

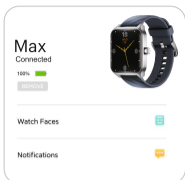

Fill your details for the first time

Successfully Connected

Click on your device in the App

Successfully Connected

On successful connection, the Bluetooth icon on your smart watch will light up, indicating the connection is successful

**Activating the Bluetooth Call Feature**

How to connect

Step 1 : After connecting the smart watch with Fere Fit App, you need to go to the Bluetooth settings of the phone and pair the watch with your phone for Bluetooth calling and phone music function

The process of connecting the Bluetooth calling feature will be similar to the wireless earphones connection of your phone; The process of connection will be different for iOS and Android devices
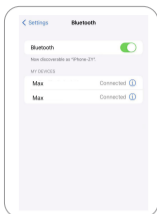

After the connecting with App, It will remind you to connect phone BT call function by connecting mobile phone Bluetooth in phone setting menu.

For IOS
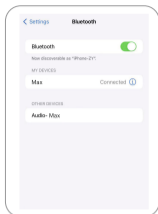

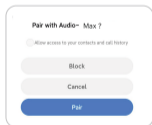

Please check you iOS Bluetooth setting list to search and connect **"Max"**

After connecting with iOS Bluetooth, It will show **"Max"** in "MY DEVICES" list

For Andriod

If your smart watch connected with the App successfully, App will display "**Pair with Audio - Max"** Please Pair it

After click to pair, then you will see the device name **"Audio Max"** is in phone Bluetooth list

Step 2 : Now your smart watch is ready to be used for BT calling feature
You can go to the dialer pad and start calling from your URBAN Max
